I materiali tessili utilizzati per la linea di sistemazione Stone sono realizzati con almeno il 50% di plastica riciclata e certificata da post-consumo domestico. Textile Exchange, tramite lo standard GRS, verifica e garantisce il contenuto di materiali da riciclo nei prodotti e il rispetto di criteri ambientali e sociali, obbligatoriamente adottati lungo tutte le fasi della filiera produttiva.

The fabric materials used for our Stone storage range are made with at least 50% of post-consumer certified recycled plastic. Textile Exchange, through GRS standard, check and guarantee the use of recycled materials on every product, ensuring as well the respect of environmental and social criteria, along every step of the production chain.

GRS Certified Polypropylene
